

# ARTY

Kronberg Oak & 'burnt wood'

*The inspiration for the "Arty" collection comes from the 'burnt wood' trend, which is an ancestral Japanese art technique called "Yakisugi"!*

# ARTY

Kronberg Oak & 'burnt wood'

## The black & wood trend

*Our designer says*

This color version in the "Arty" collection is inspired by the 'burnt wood' trend, an ancestral Japanese art technique called "Yakisugi".

The daring contrast of the black charcoal shade combined with a Kronberg decor is attractive and adds warmth to any room.

The tapered feet and small black knob handles give the «Arty» furniture items a modern and elegant feel, so they look good in any home.

*Jean-Laurent Vie*
